

My name is Borbála Sinka, I'm 25 years old, I would like to participate in the work of the international chemistry contest.. I am a fifth-year student of the Budapest ELTE University. I study at the Philological Faculty, at the Department of Classical Philology and Modern Greek Studies, as well as History. Among my interests are Greek folklore, dance and songs and Byzantine literature, orthodox theology, also learning languages. I got several scholarships in Greece, at the National and Kapodistrian University of Athens, at the University of Ioannina, and in the National Summer Camp in Xanthi, where I formed friendship with people from all over the world, who are interested also in the Greek culture.
