

My name is Peter Szöllősi; I study Politology and History on the very famous Eötvös Loránd Science University☺. I'm interested in Near Eastern political systems, history and culture of these countries. I've studied English for 15 years, can barely understand French☺. Like lucid, apprehensive conversations in most subject. After school I usually go to the gym. Like movies, theater, videogames. I chose Pakistan, because I'd like to get to know people from a whole different country, culture.
