

Hi!

My name is Dorottya Baka. I was born in Kézdivásárhely, Romania, and now I am studying English-aesthetics at the ELTE University, Budapest. I was very happy when I heard about the opportunity to join a Romanian group for several days and be their guide. I speak Romanian almost as my second mother tongue, so I hope I will be able to help the group whatever problems, needs or questions they may have. I am sure it will be wonderful to meet other cultures, find new friends and take actively part in the arrangement of such a monumental competition.
