

Hi Guys!

I'm Péter Molnár, 20 years old, university student on the Spanish Department of the Philological Faculty in Budapest. I speak English and Spanish, apart from my native Hungarian.

I'm greatly interested in Hispanic culture, especially the one of Latin America. The diverse cultural heritage and the social variety, that attracts me the most. In my spare time I like to hang out with my friends, listening to some good music (mostly ska and world music) and watch football games.

Though it sounds as a cliché I'm truly looking forward to meeting you, *Chavales*, I'm sure we'll have a lot of fun together.
